

## **I Help Holistic Health Practices Consistently Get More Patients!**

1. I'll make you **a Beautiful High Converting Website**
  - I'll do the wireframing
  - The development and publication of the website.
  - I'll do the copywriting on the website.
  - Email Acquisition
  - Revisions (up to 3 revisions within 1 week of you seeing the finished website) to ensure that you're happy with your new site
  - Domain Transfer or acquisition
  - More appointments booked on your calendar
  - Chatbot to automatically convert website users to appointments on your calendar
  
2. You get **FREE** access to our client acquisition blueprint (regardless of whether we decide to work together or not!)
  - This will give you the knowledge and tools to draw the attention of qualified local buyers who are looking for the service you offer.
  - Following the steps of the blue print will give you the ability to help more people in your community.
  - Contains the templates to set up a premium seo/aeo service
  - Contains the basics you'll need to Market your business via email
  
3. I'll run a highly effective Seo/Aeo blog service for **Free for 1 Month**
  - Organically attracts target audience to your new High-Converting website
  - Provides value to your client base establishing your business as the authority in your space
  - Gives you the best chance of being suggested in both Ai and Google search results
  - Effortlessly grows your clientele, allowing you to put your full attention on what you do best, and bringing healing to more people!

## **Guarantees**

- The landing page investment is **Fully Refundable** if you aren't completely satisfied with the results!

## **Why do I give all of my strategies and systems away for Free, and Remove the Investment Risk for You?**

Because I want to give you as much value as possible. I am a man of faith and serving my community is very important to me, so creating the best possible offer for my clients is essential! Also holistic medicine and practices have transformed my health and my life, so I want to spread that healing to many more people around the world! Lastly, from a business perspective your business significantly growing from my services will be an additional case study for me to help me get more clients, which will, in turn, spread holistic medicine to a wider audience!

## **Ultimately, I want to help people get Healthier by Helping you Get More Patients!**

### **What You Get!**
